

Number: PL- 507
Date: May 18, 2017
Subject: NPA 619 and 858 Boundary Elimination Overlay (California)
Related Previous Planning Letters: 421, 230, 128

General Description

On April 27, 2017 the California Public Utilities Commission (CPUC) in Decision 17-04-027 approved a boundary elimination overlay as the relief method for the 619 NPA. The 619 and 858 NPAs generally serve the City of San Diego and the surrounding cities of Chula Vista, Coronado, Del Mar, El Cajon, Imperial Beach, La Mesa, Lemon Grove, National City, Poway, Santee, Solana Beach and a small portion of the City of Encinitas as well as unincorporated portions of San Diego County. The new **619-858 NPA Overlay** will be an all-services overlay and will serve the same geographic areas currently served by the existing 619 and 858 NPAs.

Implementation of Relief Plan

Implementation of the 619-858 NPA overlay is as follows:

	Time	Date
Start of permissive 1+10-digit dialing	12:01 AM PT	November 11, 2017
End of permissive dialing and start of mandatory 1+10-digit dialing	12:01 AM PT	May 19, 2018
Earliest new 858 NPA central office code activation date in 619 NPA overlay area*	-	June 19, 2018
Earliest date central office codes in the new 619-858 overlay area may be ordered through NANPA	-	April 14, 2018

* Effective Date of the New 619-858 NPA Overlay, also earliest 858 NPA central office code activation in 619 NPA overlay area.

During the permissive dialing period, subscribers may dial calls within the overlay area on either a 7-digit or 1+10-digit basis, but will be encouraged to dial 1+10-digits. After the permissive period ends, all calls must be dialed using 1+10-digits.

Central Office Code Listings and NPA Maps

Rate center maps of the 619/858 NPA overlay are attached. Since NXX information may change over time, please consult the NANPA website at www.nanpa.com, iconectiv’s LERG Routing Guide or the NPA NXX Activity Guide for updated information. Information in the LERG

Routing Guide and NPA NXX Activity Guide is available by license contract from Telecom Routing Administration, at 732-699-6700.

Dialing Plan

Coincident with the introduction of mandatory 1+10-digit dialing on May 19, 2018, the dialing plan for the 619 and 858 NPAs will be as follows:

Type of call	Call terminating in	Dialing plan
Local call	Home NPA (HNPA) or Foreign NPA (FNPA)	1 + 10-digits (1 + NPA-NXX-XXXX)
Toll call	HNPA or FNPA	1 + 10-digits (1 + NPA-NXX-XXXX)
Operator Services Credit card, collect, third party	HNPA or FNPA	0 + 10-digits (0 + NPA-NXX-XXXX)

Network Testing

All international and domestic carriers should ensure that the 619 and 858 NPAs are already activated throughout their networks. Since these are active NPAs, a test number is not necessary.

General Information

The information in this planning letter reflects detailed information about NPA relief activities. The information has been derived from commission orders and from industry implementation decisions. The implementation of the plan described in this letter is the responsibility of individual service providers, and NANPA does not guarantee that the activities and plans will occur exactly as described herein.

Contact Information

General questions regarding the relief of the NPA 619 should be directed to Joe Cocke, Senior NPA Relief Planner - NANPA, on 571-434-5690. Questions of a technical nature should be directed to the NPA coordinator of the appropriate service provider.

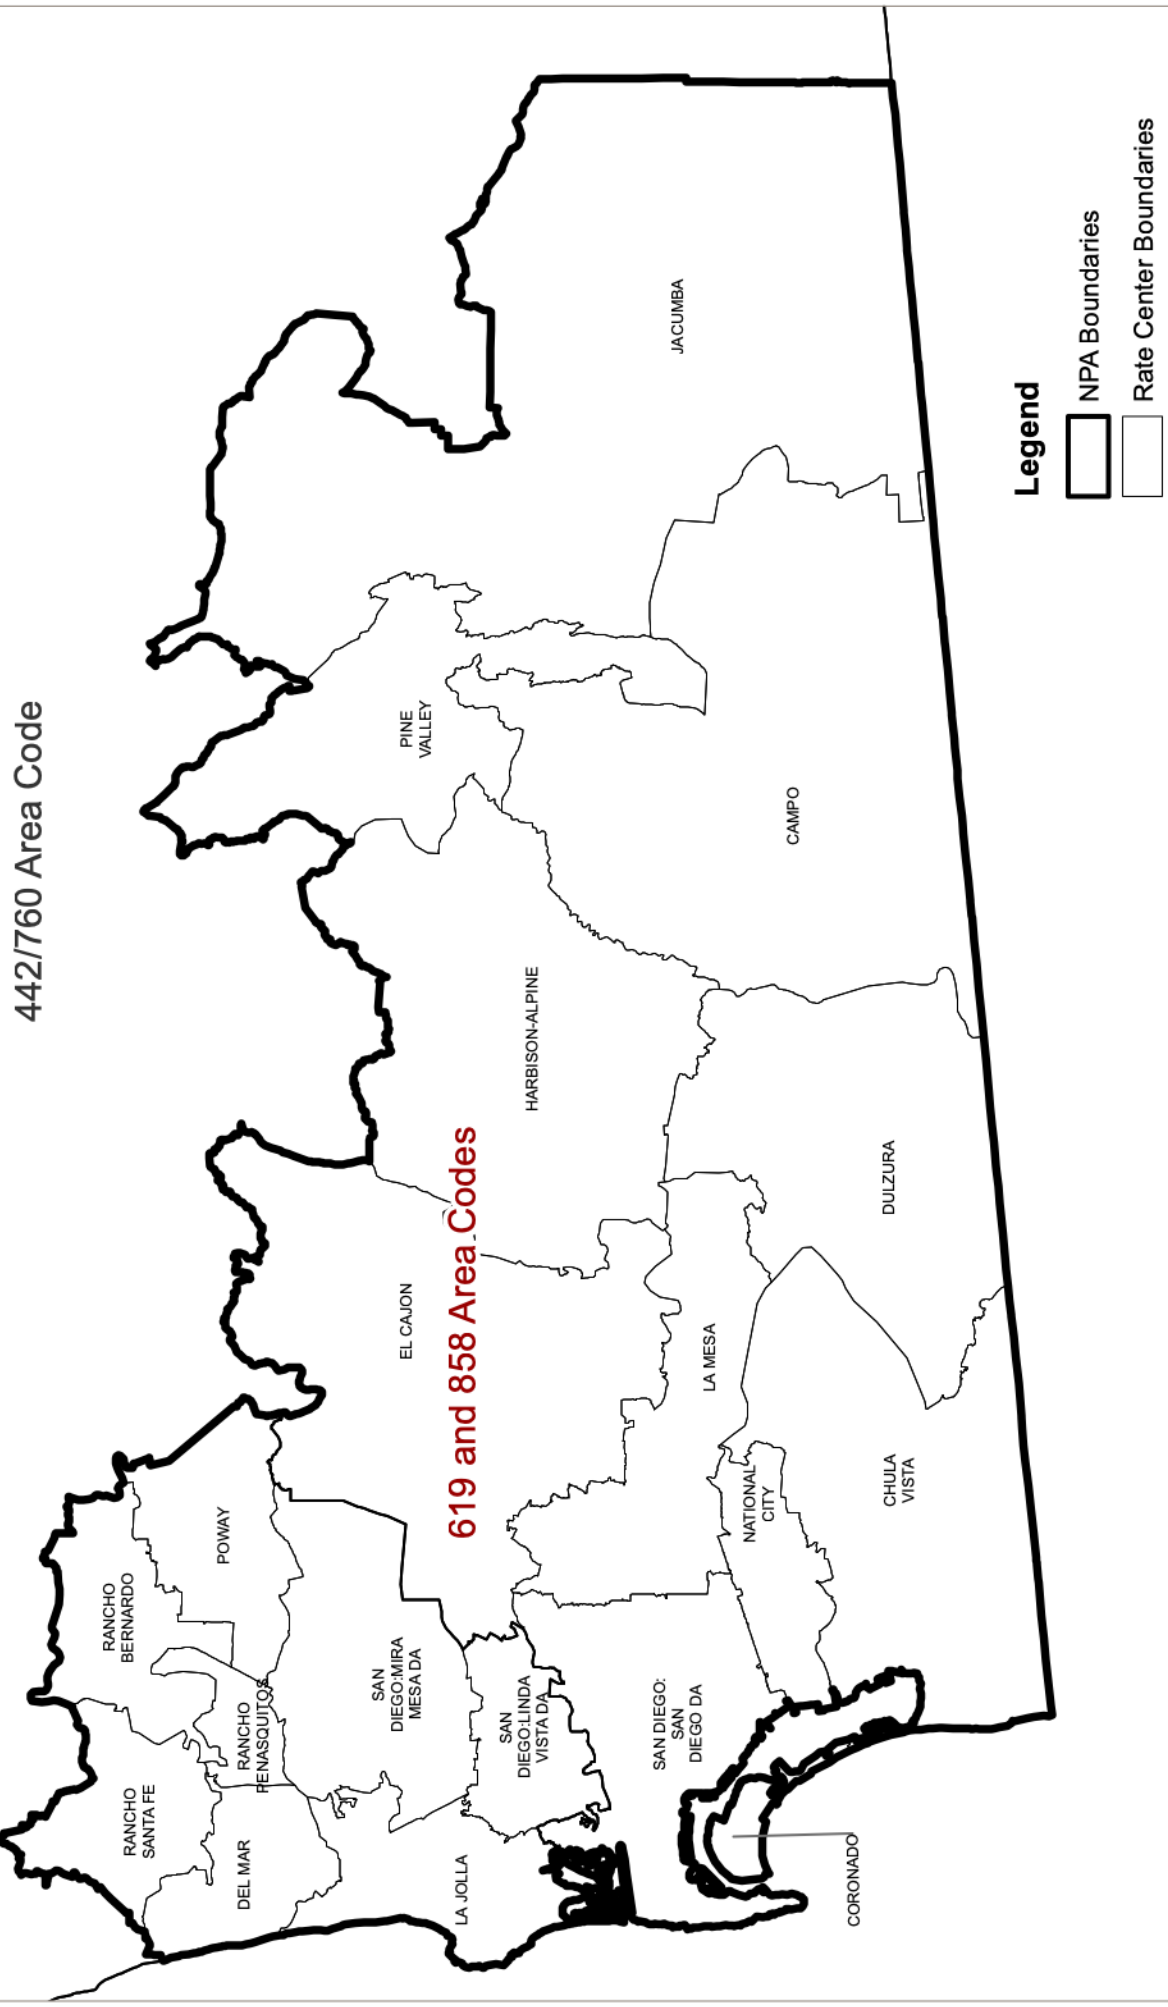

Attached is a list of service provider and contact information that is provided to assist in the implementation of the relief plan described herein. Because this information is subject to change, NANPA cannot guarantee the completeness or the accuracy of the attached list.
