Subject: NPA 683 to Overlay NPA 249/705 (central and northeastern Ontario)

Related Previous Planning Letters: N/A

In Telecom Decision CRTC 2021-371, dated 10 November 2021, the Commission approved the 249/705 Relief Planning Committee's report which recommended relief for area codes 249/705 serving central and northeastern Ontario be provided through a distributed overlay of new area code 683 starting 18 June 2022.

New area code 683 has been assigned by the North American Numbering Plan Administrator (NANPA) and will be implemented as a distributed overlay over the geographic area serving central and northeastern Ontario currently served by the 249 and 705 area codes. The area served by NPA Codes 249/705 and the new 683 NPA Code consists of 203 Exchange Areas, including the Exchange Areas of Barrie, Sudbury, Peterborough, Sault Ste. Marie, North Bay, Lindsay, Huntsville, Mattawa, Timmins and Midland. A map showing the location of the area served by NPAs 249 and 705, and a list of the 203 Exchange Areas are attached to this letter.

When the new 683 NPA is introduced, the dialling plan for the 249/683/705 overlay area will be as follows:

- All local calls, including Extended Area Service calls, originating within the 249/683/705 overlay area must be dialled with 10-digits; i.e., NPA-NXX-XXXX.
- Toll and alternately billed service calls originating within the 249/683/705 overlay area will continue to be dialled with 10-digits after the appropriate prefix digit(s).

All international and domestic Telecommunications Service Providers (TSPs) should activate the new 683 NPA throughout their networks by the start date for network testing (18 March 2022).

The following test numbers for the new NPA 683 will be made available effective 18 March 2022. Routing of calls to NPA 683 can be verified by dialing the 8378 (TEST) numbers which do not provide answer supervision. Billing of calls to NPA 683 can be verified by dialling the 2455 (BILL) numbers which provide answer supervision.

Test Number	Exchange Area (Rate Center)	Carrier
683-610-8378 and -2455	Barrie	Bell Canada

Calls successfully completed to test numbers will receive the following announcement:

You have successfully completed a call to the 683 Area Code Test Number at [CARRIER NAME] in Ontario, Canada.

The disconnection dates for the test numbers will be between 19 July 2022 and 19 August 2022.

Central Office (NXX) Codes within NPA 683 may be assigned to TSPs starting from 18 December 2021 but cannot be activated in the PSTN prior to the Relief Date of 18 June 2022.

General questions about this relief activity may be directed to Suresh Khare or Kelly T. Walsh, of the Canadian Numbering Administrator (CNA), at 613-702-0016. Specific questions related to telecommunications services and network routing should be directed to the appropriate TSP.
